

JOHN. D. ANDREWS

OFFICIAL FILE

ILL. C. C. DOCKET NO. 00-0278

Applicants Exhibit No. 1

Witness _____

Date 6-7-00 Reporter CB

EDUCATION

1990 - 1994 Southern Illinois University, Carbondale, Illinois

Major: *Physical Chemistry and Microbiology*

1993 John. A. Logan College, Carterville, Illinois

Major: *Chemistry*

Supplementary study with SIU-C, above.

1982-1984, 1989-1990 Kaskaskia College, Shattuc, Illinois

Minor: *Business Administration and Associate Science*

1983 Salem Community High School, Salem, Illinois

Graduated

WORK EXPERIENCE

Sept 1995 - Oct 1999 ANET/AccessUS Inc, Swansea, IL

Vice-President and Co-founder

ANET/AccessUS Inc. is an internet service provider (ISP) servicing business and residential customers in St Louis, Missouri and Southern Illinois. As Vice-President, duties were primarily involved in technology, telecommunications, public relations, growth, corporate development, education, and contract negotiations.

July 1993 - Sept 1995 Hardwarehouse Company, Carbondale, IL

Co-owner, co-founder, systems integrator and computer component distributor

Regional distributor of computers and computer components for retail computer stores in southern Illinois. Insured punctual delivery of parts and systems (made and configured to order). Tasks included programming, assembling, testing, ordering, delivering, procurement, and sales.

Feb 1993 - Aug 1993 National History Survey, University of Illinois, Champaign, IL

Researcher, temporary grant

Worked as a team with the university to monitor, record, and publish reports on the effects of parasitism by the Brown-Headed Cowbird on the neo-tropical song bird population. This study help document the decline of the migratory bird populations with comparative analysis of habitat fragmentation.

3664 ANDREWS COURT, SALEM, ILLINOIS 62881
PHONE 618-548-3367 FAX 618-548-3367 E-MAIL JANDREWS@MVN.NET

Sept 1991 – Jan 1993 Dept. of Chemistry, Southern Illinois University, Carbondale, IL

Researcher, federal grant

Worked at the Infra-Red Spectroscopy lab in the Physical Chemistry Department. Conducted advanced research on molecular coriolis perturbations and molecular structure dissolution. Various duties included, constructing lasers and computers, computer programming, Cray time, performing experiments, viewing apparatuses, data recording, and analysis. My research team released seven papers and was the first to produce and isolate pure formyl cyanide (HCOCN) a chemical thought to cause ozone depletion.

Aug 1990 – Aug 1992 Southern Illinois University Bookstore, Carbondale, IL

Sales Representative

Computer hardware and software sales. Assisted with on-site technical support.

Jan 1989 – July 1990 North American Lighting, Salem, IL

Quality Assurance Officer

Duties included Quality Assurance, shipping/receiving and assembly work. Worked in team that developed General Tire's five star quality assurance program in Mt Vernon, Illinois.

Aug 1987 – Jan 1989 JDA Enterprises, Paris, IL

Product development officer, self-employed

Product marketing and development for Domino's Pizza based on a "Say NO to Drugs" theme. Scheduled and performed at grand openings and poor performing Domino Pizza franchises throughout the nation. Taught marketing strategies, promotional ideas, motivation, science and competitor service evaluation, product and price comparisons. Helped to develop better products, market share, and service. Conducted promotional campaigns to audiences from 1 to 3750 people.

Sept 1985 – Sept 1987 Andrews Construction Company, Salem, IL

Vice-President

Family owned construction firm. Various duties included, reading blue prints, obtaining permits, managing sites and sub-contractors (letting of bids and procurement), project bidding, and physical building construction. This company constructed all of the Huck's Convenience Stores during this time period.

OTHER ACHIEVEMENTS

President, American Chemical Society, local chapter

Held this position for one year while attending SIU-C. Local chapter was based in Carbondale.

President, Society for Advancement of Management, local chapter

Held this position for one year while attending Kaskaskia College. Lead the team that developed and executed market research and selection of labeling for Country Bob's Sauce produced in Centralia, Illinois.

WORK RELATED SKILLS

Touch typist with proficiency using Microsoft Office, Word Perfect on both MAC and PC platforms, proficient Internet user including email, web browsing, newsgroups and Lexis/West Law research tools.
